## Chief of Police Kingzett Resigns to Accept New Position on Force at 'Peg

**City Fathers Express Regrets—Leaves at End of This Month—New Engine at Power Plant Now Giving Satisfactory Service—Increase of \$14,000 in Tax Receipts As Compared With Last Year—Utility Services of Several Delinquents to Be "Cut Off"**

A meeting of the City Council was held Tuesday evening, with all members in attendance excepting Ald. Cook.

After the adoption of the minutes of last regular and a special meeting, Mr. Fowler gave a report on the new engine purchased by the city some months ago. He had been testing the engine for some time and it was now working satisfactorily, and the old and new engines can now carry the city's load on the natural gas available, continuously, with the exception of two or three hours on Saturday nights, when the steam engine is used. The Aldermen asked Mr. Fowler a number of questions, and a general discussion followed. The Utilities Committee was instructed to get quotations on gas meters to measure the quantity of gas taken from the wells, and the amount consumed by the engine.

Mr. Fox, Supt. of the Alberta division, C.P.R., wrote re making connection to the C.P.R. water tank for fire protection. Filed.

Chief of Police Kingzett wrote asking that his property on Lansdowne street be transferred to N. Oswald. This was agreed to.

Solicitor Russell reported on the case of the City vs. Patzsch, and the appeal of the same case. Report received and the amount of \$25.30 was ordered paid.

The Alberta Heating and Sanitary Association wrote asking that a plumber be appointed on the board of health. They will be informed that Wetaskiwin has a plumber on the board at the present time.

Chief Montgomery, of the fire department, wrote re cost of fire in car near Dryden Hotel recently. The statement of account will be forwarded to the owner of car in Calgary.

The Deputy Minister of Public Works wrote advising Council that an engineer would be sent to Wetaskiwin as soon as possible, to give information about the gravelling of the streets, linking up the main highway.

A Jensen offered to purchase the John's property on Minto street, for \$800. Matter was referred to the secretary-treasurer to get quit-claim from Mr. John, if possible.

Harry Muskie offered to purchase lot on Railway Street East for \$200 to erect a building thereon, to be used as blacksmith shop. Offer was not accepted, owing to the nature of the business.

Solicitor Russell reported that he had prepared a quit-claim deed for certain property west of the city. Letter accepted and filed.

Chief of Police Kingzett tendered his resignation as Chief of Police, to take effect November 30th, having accepted a position on the Winnipeg police force. Accepted with regret. An advt. for his successor is appearing in the Edmonton and Calgary papers.

R. B. Owens of the Provincial Board of Health, reported on the sanitary conditions of the city, which were generally favorable. Received and filed.

Solicitor Russell wrote advising Council that the former Lane barn had been leased to Mr. Redman for one year.

Ald. Inglis reported the sale of parts of engine to a company at Wainwright for \$306. Action confirmed.

J. E. Fraser reported that he had collected \$52,821 in taxes during October, being \$3996.43 more than last year. During the year the sum of \$67,876 was taken in.

The following accounts were passed for payment: General, \$194.51; electric light \$54.94; waterworks, \$607.01; supplementary, \$235.55; firemen's pay, \$60.00.

Chief Montgomery reported on three small fires which had taken place during the past month.

Chief Kingzett submitted his report for October, which was received and filed.

The Police Committee reported on the complaint of Curt Smith re police inspection. Adopted and filed.

Ald. Scott reported on the Austin grader, which was to the effect that the machine was not the one ordered. The representative is taking the matter up with the manufacturers.

Supt. Watson was instructed to take levels and report as to the possibility of draining the slough north of the city. It is thought this would improve the condition of the road adjacent.

By-laws No. 635 and 636 respecting the sale of property to Mrs. Parker and Mrs. Bolden, respectively, were read three times and finally passed.

A list of delinquent light and power accounts were read, and instructions were given to have the same "cut off".

The offer of Mrs. Schellack to buy property north-east of the city for \$100 was accepted.

## UNIVERSITY STUDENT DROWNS OUT SKATING

Calgary, Nov. 5.—When they fell through the ice on Dawson lake seven miles north of Strathmore, while skating Sunday afternoon, Harold Horrocks, 18, and Francis Booth, 16, of Ardmore, were drowned. The brother of Booth who lost his own life in the effort to save his companion, stood out in bold relief in the gloom of the whole tragic happening. Dragging operations were commenced today but when darkness fell the bodies had not been recovered.

Young Horrocks was to have left Monday to attend the University of Alberta.

**Town Topics**  
J. W. Somers is at Telford this week on business.

Mrs. M. Nelson of Camrose, visited with Mrs. O. E. Olson for a few days last week.

Johnson brothers are erecting a large barn on their hog ranch north of the city.

Dr. Stevenson, M.H.O., carried out the annual inspection of the public school children.

Friends of Dr. F. A. Nordby will regret to learn that he has suffered a relapse and is again a patient in St. Mary's hospital—Canadian.

"Buster" Angus, who has been in California for some time, returned home last week and is now visiting his parents, Mr. and Mrs. Robt. Angus.

The next meeting of the W.A. will be held at the home of Mrs. C. E. Compton on Tuesday, Nov. 13th, at 8 o'clock. All members are urged to make a special effort to attend.

Mrs. Herb. Chandler received the sad news last week that her mother had passed away at her home in Springfield, Iowa. The friends here will remember her as Mrs. Jordan.

Ladies who have contributed for the sewing booth at the hospital will kindly leave them with Mrs. B. M. Parker, Mrs. Odette, Mrs. H. C. Cooke, and the committee desires that they be left in as soon as possible.

The Jersey breeders of Wetaskiwin are holding a meeting on Nov. 15th at 2:30 p.m. If you are interested in this wonderful cow come along. Some prominent speakers will address the meeting. Notice of place of meeting will be left in C. D. Enman's store.

The nurses of the Wetaskiwin hospital entertained the members of the board and their wives in their sitting room on the evening of October 31st. An excellent program of entertainment was arranged, and a delightful time was spent by all who attended.

Frank Kingzett, who has been the efficient Chief of Police here for several years, has tendered his resignation to take effect the end of the month. He has accepted a position on the Winnipeg force, and he and Mrs. Kingzett and family will leave early in December for the east.

Saturday Nov. 10th, is "Poppy Day" all over the British Empire. The poppies which will be sold in Wetaskiwin by the S.O.D.E. are all made by returned soldiers in the Province. Saturday will see Poppy sellers at every corner and it is hoped that they will give the usual generous support.

On Saturday next the municipality of Sedgewick will take a vote on whether a new hospital district will be organized. With this in view and in response to requests from those sponsoring the movement for establishing a hospital, Hon. George Howdler, minister of agriculture and health will speak in the district four times.

**PROMINENT STOCK BREEDER IS SHOT**  
Forintosh, Nov. 5.—Pettit Robinson, aged 66, well known purebred stock breeder of Forintosh, prominent exhibitor in the Calgary and Edmonton stock shows, committed suicide Friday, according to a report Monday from Corner Demorest, of Bashaw. He was found on top of a burning straw pile on his farm with his head half blown off and a shotgun lying by his side.

It was reported by the coroner that Robinson had climbed on to the stack, set it on fire, and then shot himself through the head. No inquest will be held.

The body was recovered from the blazing straw pile by Harry Watts, who is renting the Robinson farm. The hands and feet were burned off, but the body had been saved by the heavy machine Mr. Robinson had been wearing.

The late Mr. Robinson had been in poor health for some time and had recently returned from a visit to his parents in Kentucky.

London, Eng., is the financial centre of the world.

## Weddings

**BREUM—HENRY**  
A quiet wedding was solemnized at the Baptist Parsonage, Wetaskiwin, on Friday, Nov. 2, at 5 p.m., when Velma Irene Henry and Omar Clarence Breum of Forintosh, were united in marriage by Rev. P. M. Meyer. Miss Groom, sister of the groom, was bridesmaid, and Arthur Hoplin was the best man.

**JOHNSON—PETERSON**  
A pretty wedding ceremony was solemnized by Rev. P. M. Meyer at the Parsonage, on Saturday, Nov. 3rd, at 11 a.m., when Eldred Elizabeth Peterson, daughter of Mr. and Mrs. E. Peterson of the Crooked Lake district, became the bride of John Anson Johnson of Yorkton. Miss Ruth Astner attended the bride, while Hilding Peterson, brother of the bride, was the best man. Mr. and Mrs. Johnson will reside on their farm at Yorkton.

**RINGBOOM—HENRIKSON**  
A quiet but pretty wedding took place at the Parsonage, Wetaskiwin, on Monday, Nov. 5th, at 2 p.m., when Johanna Evelyn Henrikson and David Herman Ringboom of Breton, Alberta, were united in marriage by Rev. P. M. Meyer. Those attending the ceremony were Mr. and Mrs. Carl Eliason. Mr. and Mrs. Ringboom will reside on their farm at Breton.

**LIVERSIDGE—DALQUIST**  
A very quiet wedding was solemnized at the Knox Presbyterian manse, Calgary, on Saturday evening, Oct. 27, at eight o'clock, when Hazel Cavell, eldest daughter of Mr. and Mrs. G. Dalquist, of Leduc, was united in marriage to Edward Victor Liversidge, of Calgary, son of Mr. and Mrs. A. H. Liversidge, Wetaskiwin. The ceremony was performed by the Rev. W. D. Grant Hollingsworth.

The bride was charming in a gown of old rose satin with corsage bouquet of pink roses. She was attended by Miss Edith Liversidge, of Calgary, sister of the bridegroom, who was attired in a gown of pink satin, trimmed with gold mesh. The bridegroom was supported by Lewis Yearick, of Calgary.

The bridegroom's gift to the bride was a diamond ring. The bride's gift to the bridegroom was a diamond ring. The bride's gift to the bridegroom was a diamond ring.

The happy young couple will reside in Calgary at 212 1/2 avenue west, the groom being employed on the staff of the Calgary Albertan.

**Obituary**  
**JOHN BOLT**  
The residents of the community were shocked on Saturday last to learn that John Bolt, who lived about eight miles south of Wetaskiwin had been found dead in his bed. As he was living alone it is not definitely known when he expired. Heart failure was the cause, and he was aged thirty-nine years. He was born on St. Joseph's Island, Algoma, Ont., and came to the Wetaskiwin district in March, 1909, and lived for a number of years at the home of Mr. and Mrs. Frank Bolt, west of Wetaskiwin. He was preparing to leave on a trip to California, on a visit to his brother and sister, having his suit case partly packed. He was of a very retiring disposition and bore his suffering without complaint.

Besides his parents, Mr. and Mrs. William Bolt, he leaves six sisters and three brothers, namely, Mrs. Robt. Dahms of Wetaskiwin; Mrs. W. W. McDonald, Alice and Florence, of Edmonton; Frances in Illinois, and Mrs. Simpson in Los Angeles, Cal.; and Harry in California, Art in B.C., and Edwin at home.

The funeral took place on Tuesday afternoon, service being held in the First United Church, conducted by Rev. A. L. Elliott. Wetaskiwin Order of Mothers, of which deceased was a member, attended in a body, and took part in the service. The church was crowded with friends and the eulogies were beautiful. Brother Moore was the pallbearer and the remains were interred in the Wetaskiwin cemetery.

**AMANDA A. FORTH**  
The angel of death visited the home of Mr. and Mrs. G. Forth, of the Wetaskiwin district on Friday last and removed their infant daughter, Amanda Amelia, after a few days illness. She died at seven months.

The funeral took place on Sunday at the Pleasant Prairie cemetery, the ceremony being conducted by Rev. H. G. H. Klingbeil.

**PUBLIC MEETING**  
The special speaker and guest of honor for the service was Rev. H. P. Gordon, pastor of Crescent Heights United Church, Calgary. Back in 1904 Rev. Mr. Gordon was pastor of Ponoka Methodist church. He was greeted by large congregations at both services and gave two inspiring addresses. Special music also featured the service.

On Monday evening a fowl supper was given in the gymnasium followed by an enjoyable concert. Fully 300 people were in attendance.

## CANCER RESEARCH INSTITUTE ESTABLISHED

Dr. Charles H. Mayo, noted Rochester, Minn., surgeon, announced before the American Public Health Association recently, plans for a cancer research institute to be located in Chicago, where the experimental work being conducted on cancer throughout the country may be co-ordinated. The institute would be both a clinical and research headquarters. Scientists would study the world's experiments and cancer specialists and surgeons would apply the result on cancer sufferers. Details of the plan for the new institute are being worked out by a committee of ten distinguished medical leaders.

**Town Topics**  
Gordon Pickard left last Wednesday to attend the Vermilion Agricultural school.

J. E. Fraser visited W. D. Saunders, secretary-treasurer of Camrose, the fore part of the week.

The W.A. of Emmanuel church held a successful bazaar at the Elks' Hall on Saturday evening.

The Misses of Edmont, spent the week-end in the city as guests at the home of Mr. and Mrs. V. C. French.

Gordie Ballhous was at Calgary last week attending the provincial hog judging competition for boys and girls. He had a very enjoyable outing.

Theodore Jenne of Crooked Lake, was awarded a \$7.00 prize in the hog judging competition held in Calgary last week.

Mr. and Mrs. D. F. Kellner were visitors at the home of Mr. and Mrs. E. H. Moore the fore part of the week. Mr. Kellner is Mrs. Moore's brother.

Miss Giles, national worker of the W.C.T.U. among young people, will address a meeting in the United church, Tuesday, Nov. 13, at 7:30. The address is to the young people of Wetaskiwin.

Montgomery Bros. Silver Fox Company is sending twenty-two animals to the Alberta National Silver Fox Show to be held in Calgary next week. A. H. Parker is sending eight animals to the same show.

James Fleming, who has been employed by C. V. Miller for several years, left on Saturday for his former home in Ireland, where he expects to remain permanently. He will likely open a tobacco store there shortly after his arrival.

The teachers' convention for the Wetaskiwin inspectorate will be held in the Alexandra school on Thursday and Friday of this week. A good program has been prepared and it is expected that there will be a large attendance. On Thursday evening a banquet and dance will be held in "The Pal".

Pete Ryan, accompanied by Mrs. Ryan, left last week for Merced, Alberta, where he has accepted a position as manager of a general store. Pete was one of the best baseball players in the community for a number of years and he will be greatly missed in sporting circles here. His position in the U.F.A. Store has been taken by Harding Aspy.

Camrose is to have a second fox farm. A. D. Campbell, proprietor of the Windsor Hotel has decided that fox raising must be a lucrative business and recently purchased several acres of land from R. L. Rushton. The new venture is located south of the golf links and it is Mr. Campbell's intention to fit it up in the most modern manner for the raising of foxes—Canadian.

**PONOKA READY TO BURN MORTGAGE**  
Ponoka, Alta., Nov. 3.—From the financial standpoint the anniversary services of the Ponoka United church held this week were of a historic nature. In addition to being the first anniversary service, reports presented indicated wonderful achievements. The new addition to the former Presbyterian church was coupled up with the Community Gymnasium scheme. To put both schemes through \$15,000 required nearly \$4,500. All of this amount has been paid in full or pledged with the exception of about \$300. The greater part of this amount was subscribed Sunday evening. It is hoped to have the burning of the mortgage on New Year's Sunday evening.

The special speaker and guest of honor for the service was Rev. H. P. Gordon, pastor of Crescent Heights United Church, Calgary. Back in 1904 Rev. Mr. Gordon was pastor of Ponoka Methodist church. He was greeted by large congregations at both services and gave two inspiring addresses. Special music also featured the service.

On Monday evening a fowl supper was given in the gymnasium followed by an enjoyable concert. Fully 300 people were in attendance.

## Herbert Hoover Elected President Over Smith by Surprisingly Big Majority

**TWO PLANES PLACED ON PRAIRIE RUNS; DIRECT SERVICE FOR CALGARY**  
Winnipeg, Nov. 6.—As another step in augmenting its new western service, the Western Canada Airways, Limited, have placed two monoplane in operation on its prairie passenger and express line, a machine left Winnipeg for Regina Sunday morning. It will be utilized for the Edmonton-Saskatoon-Regina loop, while a plane, which left here this morning, will operate between here and Calgary, making connections at Regina with the other line.

**WETASKIWIN KIWANIAN GIVES THOUGHTFUL ADDRESS**  
The members of the Kwanian club held another very enjoyable luncheon Tuesday evening, the speaker being one of the local members, Rev. P. C. McCrack. He took as his subject "Kiwianism, and what I enjoy by being a Kiwanian." He enjoyed the meetings and the good fellowship, as he was drawn away from the routine things of life. We are all social beings and enjoy the personal contact with our fellow Kiwanians, at the luncheon and other meetings. "Little Mac" was of the opinion that the day would never come when men would cease to meet in some way for sociability and conversation. He also referred to the important place the talking machines and radios were taking in the community life, but they would never replace the sociability experienced in gatherings such as a Kiwanian meeting. The club is helpful as we are seeking to get better acquainted with one another, and are striving to find out what the other fellow is trying to do, and to get his viewpoint.

In conclusion, he referred to the great future of Western Canada and to the important part in the development Kiwanians might have.

President "Bill" Odell presided. The election of officers takes place the first meeting night in December, and a committee composed of R. W. Manley, H. C. French, H. W. Wright, C. W. Wells and V. C. French was appointed to take charge of the election.

**SYSTEM OF INSPECTORS IN GOVT. DEPARTMENTS FAULTY**  
Edmonton, Nov. 3.—Revision of the whole system of Government inspectors in the Province is being seriously studied and considered, with a view to establishing closer co-operation and greater efficiency combined with economy, according to Premier J. E. Brownlie. The Premier said yesterday that close observation, during the last year or two, had convinced the Government that a better system could be worked out than that in vogue and for the last few weeks meetings of the Executive Council had devoted some discussion to the matter.

The survey of inspection work, if decided upon, will aim to co-ordinate boiler inspection, fire prevention, agricultural inspection, assessments and revenue collections.

At the present time there was a considerable amount of overlapping. Presently a boiler inspector would visit a certain point and make his study of its particular phase of activity and then, perhaps a day or two later, a fire prevention officer would visit the same place. It was then a question of just how far the fire prevention officer's duties overlapped those of the boiler inspector.

Another point which the Premier emphasized was that the present system was a waste of money, and that whereas at the present time there are several revenue collector's offices, instead there being one for each department, some central collection agency might be established, with one central authority, so that a closer check could be kept upon current revenue and just what the province has in hand.

It is likely that the Alberta Provincial police will be more widely used than heretofore, if the discussions lead to the adoption of a new policy. Some inspections, such as liquor, neglected children and practically all work of this nature coming under the Attorney-General's department could be handled by the bluecoats.

It is the Premier's opinion that should some such plan of co-ordination prove feasible, there would be better service, economy, avoidance of duplication of work and the centralization and making more readily available of a vast amount of information.

**ARMISTICE SERVICE**  
An Armistice service is to be held in the Angus Theatre on Sunday afternoon next, commencing at three o'clock. Prof. E. A. Corbett, of the Extra-Local Department of the University of Alberta, will be the speaker for the occasion, and the local clergyman will take part in the service. Special music has been arranged.

to their town.

Here is a matter that there can be  
no difference of opinion on. The roads  
should be kept open and we should all  
get together and help out this impor-  
tant work.

## SOAP

Probably there are persons who  
think that soap came into common use  
many thousands of years ago. This is  
not so, however, for though to be  
sure, a great many centuries have  
elapsed since China discovered the art  
of making soap, only a few decades  
have passed since England removed a  
tax on it which several centuries be-  
fore had been imposed on the ground  
that it was a luxury.

It is surprising to note that soap  
did not easily slip into the scheme of  
things as civilization advanced. We  
have been wont to think of our fore-  
fathers as enjoying, particularly on  
Saturday nights, all the pleasure and  
benefit which a cake of modern soap  
in conjunction with a tub of water  
convey. And yet our earlier fore-  
fathers, if traced back to ancient  
Greece and Rome, knew nought of soap  
as it is understood today. They laved  
themselves with oil and then rubbed  
themselves with ashes, we are told.

The Gauls mixed tallow and wood ashes  
and boiled the combination. Imagine  
the task of trying to work up a  
lather for shaving with that! But soap  
did not appear in England until late in  
the fourteenth century, when the utter  
foolishness of its use was immedi-  
ately recognized by the Government  
which promptly applied, not a com-  
mon ordinary little luxury tax, but a  
super-luxury tax.

Like various other commodities,  
soap has advanced since then not  
only in public estimation and use,  
but also in quality. Soap of a few  
generations ago would hardly be  
recognized by the most ardent dis-  
ciple of the article of today. Made  
in a deep pan and cut out in rough  
oblong cakes it often had the texture  
of pig-lion and presented about as  
much disinclination to lather. Few, if  
any, attempts were made to take away  
the most altogether pleasing scent (that  
is putting it mildly), which, persisting  
as it did in hanging about the person  
of the user long after applied, often  
brought the tart remark from Grand-  
mother, "You needn't turn up your  
nose, it's nuthin' but clean soap."

qualified to act as the interpreter na-  
tion. With her understanding of all  
their peoples who hold it in her power  
to cement closer and closer the bonds  
which existed between them.

"Europe will have to come to the  
New World point of view," said Mr.  
King, in referring to efforts for world  
peace.

"The New World," he continued,  
"could present the Old World with a  
practical example of the effectiveness  
of disarmament as a means of per-  
petuating peace. Canada and the  
United States had demonstrated the  
value of arbitration and conciliation in  
international affairs since the Rush-  
Bagot treaty became effective.

"What is interesting to Canada is  
that we have worked out what the  
European nations are seeking," the  
Premier said. "Canada has renounced  
war in favor of her relations with the  
United States. As a matter of  
policy, war has been replaced by the  
spirit of conciliation and means have  
been set up for the amicable investi-  
gation and adjustment of differences.  
In Europe there is still an element of  
distrust between the nations which are  
seeking peace. That is one reason for  
the emphasis laid on disarmament as  
a necessary factor in the attainment of  
peace. But, for a hundred years, Canada  
and the United States have disarmed  
and had trusted each other, and the  
results had proven the wisdom of  
doing so.

"This system we have been re-  
lieved of the necessity of putting  
free sums of money into arma-  
ments, and this money has gone in-  
to industry," Mr. King said. "When  
the Minister of Finance prepares his  
budget he does not have to al-  
low even five cents for armaments.  
The result is a stimulation to pros-  
perity."

The Prime Minister referred briefly  
to immigration. He felt, he said, that  
he and those associated with him had  
been able to convince the people of  
Great Britain that British settlers  
were welcome in Canada. He ex-  
pressed the opinion that some of the in-  
famous propaganda circulated in Great  
Britain which led to an opposite im-  
pression gaining ground, might be  
traced to private organizations which  
desired to compel the Canadian gov-  
ernment to contribute financially to  
their own immigration schemes. The  
Government had no intention of con-  
tributing large sums to private immi-  
gration schemes, he stated.

The meeting of the League of Na-

tions, which he attended for the first  
time as one of Canada's representa-  
tives, was referred to by the Prime  
Minister. "The League is doing a  
great work," he said. "It is trying to  
develop the appeal of reason rather  
than the appeal to force." This ac-  
counted for the stress laid upon dis-  
armament, because the League believed  
that to discourage great armaments  
meant to put a brake on any nation  
which might be inclined to belliger-  
ence. This bringing together repre-  
sentatives of the world nations, their  
sitting down to talk over their differ-  
ences, was a most important thing.

"It is helping to create a world  
opinion which fosters goodwill in-  
stead of illwill," the Prime Minister  
declared. He considered the signing of  
the Kellogg treaty an important step  
toward that condition which was desired  
by the signatory nations.

"I think they are leaving it to the  
United States to decide," Mr. King  
said, when asked if efforts were being  
made to induce the United States  
to join the League. "All countries are  
welcome," he added.

The Prime Minister said that Europe  
seemed to have got back to normal  
conditions which were shattered by  
the war.

"You wouldn't know there had ever  
been a war," he remarked in compar-  
ing conditions now with those which

prevailed at the time he last visited  
Europe shortly after the close of the  
great struggle. He expressed the view  
that British capital was going to flow  
to Canada.

In concluding, Mr. King bore tribu-  
te to the value of the service of Can-  
ada's representative at Paris, Hon.  
Philippe Roy, and of the service of  
Mr. Dunning and Senator Dandurand  
of the Canadian delegation to the  
League of Nations assembly.

## Suffered for Months with Severe Pains in Her Back

On the first signs of any weakness or pain in the back, Dr. Williams' Kidney Pills should be taken. They are a remedy for the kidneys only and make right for the rest of the trouble.

Mrs. Lawrence Proulx, Galesia, Ont., writes: "I suffered for many months with severe pains in my back. I could not rest day or night, and I had no ambition to do anything."

"One day I saw where you advertised Dr. Williams' Kidney Pills for pains in the back and I lost no time in buying a box. I have taken three boxes and found that they did me a wonderful amount of good by giving relief right away."

Price 50c. a box at all druggists or dealers, or mailed direct on receipt of price by the T. M. L. Co., Limited, Toronto, Ont.

## ALMOST FRANTIC WITH HEADACHE

Kidney Trouble and Weakness Relieved by "Fruit-a-lives"

Mrs. TESSIER

"I was very weak because of Kidney Trouble and suffered with terrible Headaches," says Mrs. TESSIER, "I was treated for a long time and was just about discouraged when I learned of 'Fruit-a-lives.' Improvement came with the first box, and in a few months the kidney trouble, weakness and headaches were gone."

"Fruit-a-lives" regulates the bowels, kidneys and skin—purifies the blood—and brings sound, vigorous health. Try this wonderful medicine made of fruit juices combined with the finest medicinal ingredients. 25c. and 50c. a box—at dealers everywhere.

### For Swollen Joints

Most remedies fail but Joint-Ease succeeds.

It's for joint troubles only, whether in ankle, knee, hip, elbow, shoulder, finger or spine—whether rheumatic or not.

It limbers up stiff, inflamed, painful, creaky joints so quickly you'll be astonished.

Two second's rubbing and away it goes through skin and flesh right down to the bone and ligaments—that's why it succeeds. Ask any reliable druggist.

## FATAL AUTO ACCIDENT

**NORTH OF LACOMBE**  
Mr. Angus Morrison, believed to  
have belonged to the staff of the Pro-  
vincial Board of Health, and living on  
88th Avenue, Edmonton, was fatal-  
ly injured when his car was wrecked  
two miles north of Lacombe, on the  
Edmonton trail, on Wednesday, Oct.  
31st, about 5:30 p.m., and he died in  
the Lacombe hospital two hours after-  
wards. His ribs were terribly smashed  
and the right side was caved in. It is  
believed, by contact with the frame of  
the car and the top of the door when  
he was thrown from his car, his left  
shoulder was broken, his left kidney  
torn, beside other internal injuries. He  
remained only sufficiently to give Dr.  
Hynes his name when he was brought  
in; his death was due to shock. Sergt.  
Holmes, A.P.P., consulted with the  
doctors, and they considered his death  
accidental and that no inquest was  
necessary.

## MADE LONG TRIP WITH INDIAN

**WHO HAD GONE INSANE**  
Yet another Royal Canadian Mount-  
ed officer has faced the task of trav-  
elling over a long distance, in charge  
of a demented person.

On Friday's train from the north  
came Corporal Woods, of Arctic Red  
River—1512 miles from the end of  
steel at Watways, and 1312 miles  
from Edmonton— with an elderly  
Indian woman whose mental state  
made it necessary to remove her to  
Banoka.

A second woman accompanied the  
party as matron, and no trouble was  
experienced on the way.

## THE SWEDS RESOLUTION

At tank ay will co-operate  
Und help my neighbor out,  
Und can't get anyone alone;  
Dat's so without a doubt,  
He needs my help. Ay need his too,  
Ve pull yust like a team,  
And Ay knits fighting heem.  
Ven he knits fighting vid me,  
Ve neighbors act yust like big toos  
Ven ve each other fight.  
Und say each other von is wrong  
Ven neider von is right.

## NEW KIND OF SPECTACLES

1,000 Pairs to Be Given Free

Toronto, Ont.—A new, clear-vision  
spectacle has been created, which is  
guaranteed against breaking or tam-  
pering and is a great improvement  
over other spectacles, as they will enable  
almost anyone to read the very small-  
est print, thread the finest needle, and  
see far or near. Hundreds of thou-  
sands of them are already being worn.  
The manufacturers, Self-Test Optic-  
al Company, 20-32 Melinda St., Dept.  
N.W. 826, Toronto, Ont., are offering  
to send thousands of pairs free. If you  
are not amazed and delighted, if you  
do not think their spectacles at only  
\$3.98 equal to those sold elsewhere at  
\$15.00, you can send them back. You  
won't lose a cent. They will also tell  
you how to get a pair for yourself with-  
out cost. Write them today.

## PRIZE LIST READY FOR

PROVINCIAL POULTRY SHOW

The prize list for the Alberta Pro-  
vincial Poultry Show, which is to be  
held at Calgary December 4th to 7th,  
1928, is now ready for distribution, and  
copies may be had by request from the  
Secretary, Calgary Poultry and Pet  
Stock Association, Exhibition offices,  
Calgary.

In addition to generous cash prizes  
geese, ducks, bantams and pigeons,  
for all varieties of poultry, turkeys,  
there are several pages of special  
prizes and challenge trophies to be  
contested for.

## ANNUAL MEETING WETASKIWIN

GIRL GUIDES' ASSOCIATION

The annual meeting of the Wetski-  
win Girl Guides' Association will be  
held in the Armouries (Parish Hall) on  
November 14th. Parents and all oth-  
ers interested in Girl Guide work are  
cordially invited to be present.

## WOMEN'S INSTITUTE NOTES

The annual meeting of the Wetski-  
win Women's Institute will take the  
form of a banquet this year and will  
be held in their club rooms, Pearce St.,  
on Thursday, Dec. 6th, at 6:30 p.m.  
This is open to anyone who cares to  
attend if reservation is made with the  
president, Mrs. H. J. Montgomery, on  
or before December 1st.

## HOSPITAL BAZAAR NOTES

At their meeting on Tuesday of this  
week, the Hospital Aid Society made  
final preparations for their bazaar  
which is being held on Thursday, the  
15th of this month, in the U.F.A. Hall.

The sewing booth, under the super-  
vision of Mrs. B. M. Parker, Mrs. H. C.  
Cooke and Mrs. W. H. Odell, promises  
to have a splendid assortment of plain  
sewing and fancy work from which to  
make a selection. Mrs. Alex. Knox  
and Mrs. J. C. B. Williamson will con-  
duct a fashion show that will delight the  
hearts of the young as well as the  
older folk. Mrs. J. A. Rodell, Mrs. H. C.  
R. Walker and Mrs. George Gotsch  
will satisfy those with a sweet  
tooth by a display of candies that will  
tempt the most fastidious. Mrs. A. A.  
Ellis and Mrs. J. R. E. Coburn will pre-  
side over a table where choice dressed  
poultry may be purchased, and Mrs.  
G. D. Wallace, Mrs. A. L. Elliott and  
Mrs. A. H. Liversidge will have one  
where all sorts of cooked foods ready  
to serve will be displayed in tempting  
array. Mrs. Wm. Hogan and her as-  
sistants will serve a refreshing cup of  
tea to the tired shoppers and conduct  
the finger dances in the evening, where  
a lunch counter will provide coffee and  
sandwiches for those who desire them.  
Last, but by no means least, Mrs. H.  
E. Chalmers and Mrs. J. W. Somers  
will run a House-House booth where  
you may spend your dimes and win  
prizes from four p.m. on "Far into the  
night."

Come everybody, enjoy yourselves  
and help our hospital.

## SALMON RUNN B.C.

SETS NEW RECORD

Vancouver, B.C., Nov. 5.—There  
used to be no apprehension regarding  
the future supply of salmon in British  
Columbia, for the run this season,  
with the exception of the sockeye ve-  
riety, is one of the largest in history,  
according to a statement made here  
Saturday by Major J. A. Motherwell,  
division fisheries inspector for British  
Columbia. Major Motherwell has  
returned from an inspection of the  
north coast, where he says the fish  
have been making their way upstream  
in countless thousands. He made one  
qualification in his optimistic review,  
stating that the regulations governing  
the industry have never been better  
enforced at present, and that they  
are necessary to ensure the future of  
the salmon fisheries.

## U.F.A. CONVENTION

DATE ANNOUNCED

The annual convention of the United  
Farmers of Alberta will be held in Ed-  
monton on January 15, 16, 17 and 18.  
It was officially announced by H. E. G.  
H. Schofield, vice-president of the or-  
ganization, who returned from the  
northern city on Friday after a meet-  
ing of the executive. As the forth-  
coming convention would mark the "coming  
of age" of the U.F.A., it was expected,  
he said, that the convention would be  
exceptionally well attended.

## MOTORISTS IN COURT

called had not proceeded far, however,  
when legal snags commenced to crop  
up, and the town by-law, under which  
the charges were laid, was amended  
and battered affair by the time the  
lawyers got through with it.

C. H. Grant, K.C., who also rep-  
resents the Alberta Motor Assn., defend-  
ed in the first case called and pointed  
out that while his client, a Mrs.  
Thompson, was the car owner, she  
was not the driver when the car num-  
ber was taken in Leduc. The point is  
that while under the Motor Vehicles  
Act proof of ownership is sufficient, it  
is claimed that under a town by-law  
it is the driver that must be dealt  
with. Mr. McBride, another Edmon-  
ton lawyer, who had drawn up a num-  
ber of various by-laws for Lacombe,  
imparted considerable information  
with regard to town by-laws in general  
and this specifically by-law in particular.  
The magistrate finally postponed the  
proceedings until Monday and in the  
meantime is looking into the valid-  
ity of the town by-law. D. P. Mc-  
Leod is looking after the town's inter-  
est in the matter and if the town by-  
law proves not workable it is the in-  
tention to lay the balance of the  
charges under the Motor Vehicles Act.

## PERMANENT TYPE OF HIGH- WAY AIM OF GOVERNMENT

"What the government has aimed at  
is a permanent type of road and of  
standard construction," Hon. O. L.  
McPherson, provincial minister of  
public works, declared in the course of  
an interview. "That has been our  
policy and one which we hope to main-  
tain," he said.

The minister was in Calgary on  
Thursday in attendance at the govern-  
ment office in the land titles building  
and had quite a busy morning. Among

those who waited upon him were  
Harold Riley and Ernest Willis, rep-  
resenting the southern section of the  
Alberta Development Board. They  
urged that there should be a uniform-  
ity in the signs marking the high-  
ways throughout the province.

The deputations was informed by  
Hon. Mr. McPherson that the govern-  
ment was undertaking at the pres-  
ent time to mark the important high-  
ways and it was proposed to extend  
this to some of the other highways  
of the province. The roads engineer,  
he stated, was trying to work out a  
uniform practice and design so that  
they would have as far as possible  
continuity and uniformity in the fu-  
ture with the signs. Later in the  
day the minister was interviewed by  
the good roads committee of the  
board of trade.

"We like to think of our road pol-  
icy as a progressive sort of develop-  
ment," remarked the minister in con-  
fessing his interview. "We feel that  
we are building a foundation prop-  
erly which will not only serve the pres-  
ent needs, but will be retained in the  
future, as the demand arises, with-  
out loss. This is essentially the back-  
bone of our policy."

Hon. Mr. McPherson said it was  
proposed to continue the standard  
form of construction as rapidly as  
they were able and for it to go on  
from year to year. They expected  
the policy to be one of continuous de-  
velopment and not any spasmodic  
construction at all—just uniform de-  
velopment from year to year.  
Asked how much of the money that  
would be received from the northern  
railway deal would be spent on road  
construction, he replied that this was  
a matter of government policy. At  
the moment, therefore, he was not  
in a position to answer that question.

Referring to snow fences, Hon.  
Mr. McPherson stated that the gov-  
ernment had ordered 65,000 feet in  
fencing. That would be distributed  
all, or approximately 12 miles of the  
at many points, where snow drifting  
is a usual thing occurred. Engineers  
had been observing the drifting con-  
ditions in their territory. Spilt up in  
that manner, the fencing ordered  
would cover a very considerable  
mileage.

"We are undertaking to try to ob-  
viate these bad snow drifting condi-  
tions, but we are not yet prepared to  
undertake the clearing of the snow by  
plows," said Mr. McPherson, "but at  
the same time we do not want to dis-  
courage any move on the part of any  
organization which is desirous of as-  
sisting in keeping the highways open  
for traffic in the winter."

## NEWSPAPERS ARE BEST

ADVERTISING MEDIA

Toronto, Nov. 3.—The relation of  
Canadian newspapers and magazines  
to markets and their comparative  
value as advertising media, were the  
subjects discussed when the Associa-  
tion of Canadian Advertisers opened  
its fifteenth annual convention here  
under the chairmanship of President  
Robert Beattie, of Toronto.

H. E. Mihell, manager of the associa-  
tion, pointed out that advertisers had  
little information regard the media  
with which they dealt, and that com-  
parative values were little known or  
understood. "This was the impression  
he had gained in visits among the  
membership. He found the most com-  
monly accepted media in order of  
merit were newspapers, magazines,  
posters, direct mail and radio.

G. H. Bertram, of Toronto, declared  
the first thing in advertising was to

measure the market. He divided Cana-  
da up into seven markets and, stress-  
ing that population was not the only  
basis on which allocation should be  
made, gave the percentage of these  
market possibilities about as follows:  
British Columbia, 9; Alberta, 8;  
Saskatchewan, 7; Manitoba, 8; On-  
tario, 43; Quebec, 18; and the Mar-  
time Provinces, 7.

More reading matter in a week  
than any other Canadian farm paper  
in a month—the Family Herald and  
Weekly Star, Montreal. Only a dol-  
lar a year, or three years for \$2, now  
making wonderful improvements.

**THERE'S MONEY IN SHEEP**  
D. J. Stewart on Monday sold 13  
lambs and 2 ewes. They brought him  
almost \$200. That is going some. It  
is pleasing to think that so many of  
our farmers are going in for sheep and  
that they are so profitable.—Ponoka  
Herald.

### TWO FROM LACOMBE WIN COMPETITION; ARE BANQUETTED

Two girls from Lacombe were announced as the winners of the Canadian Pacific Railway boys' and girls' swim club competition for the province of Alberta. The winners were Margaret Roper and Nellie Crawford, of Lacombe. This team emerged first in the southern Alberta competition and, having secured higher points than did the Willington team, winners of the northern section, was placed first in the competition for the entire province.

Eight teams were entered in the southern competition from Lacombe, Bentley and Rimbey, Innisfail, Red Deer, Claresholm, High River, Macleod and Wetaskiwin.

The judges in the C.P.R. competition completed their work at the Exhibition Grounds Thursday afternoon and the result was announced last week. The judges were Prof. R. Sinclair of the University of Alberta and W. F. Wilson, Dominion grader at Edmonton.

By winning the competition Miss Roper and Miss Crawford become entitled to the C.P.R. trophy and medals and are also eligible for a trip to the Royal Agricultural Winter Fair at Toronto as guests of the Canadian Pacific Railway.

These two girls, coached by Gavin Barbour, Dominion Government Swim Promoter, station at Lacombe, receive a free trip to Toronto through the generosity of the railway company. In addition they hold for one year the provincial cup donated by the same company and receive medals commemorating their win. They were the first in the James Ramsey competition for girl swimmers.

Ten clubs were represented in the competition in Calgary, drawn from

### Provincial Weekly News Bulletin

(Issued by Publicity Commissioner, Government of Alberta, Edmonton, Trails Operating on Northern Extension)

Train service has been inaugurated on the new fifteen-mile extension of the Central Canada railway from Whitelaw to Fairview, formerly known as Waterhole, an order authorizing the commencement of the service having been signed on Saturday last by Hon. V. W. Smith, Minister of Railways, following an inspection made by engineers of the department. Construction work is also being pushed rapidly toward completion on the twenty-five mile extension of the E. D. and B.C. to Hirtho, and it is expected that this line will be in operation within a short time.

Valuable Salt Strike Made at Waterways

An important discovery indicating the wealth of resources in the northern part of Alberta is announced in the striking of a deep bed of salt in the test well being drilled at Waterways under the direction of the Provincial Department of Railways. Salt was encountered at a depth of 670 feet and the drill which has now reached the depth of 833 feet is still passing through this formation. Further tests are planned to determine the probable extent of these valuable salt deposits.

Institute of Co-operation Proved Successful

Plans for next year's program of cooperative activities under the auspices of the Wheat Board Surplus Fund

There is nothing that has ever taken Aspirin's place as an antidote for pain. It is safe, or physicians wouldn't use it, and endorse its use by others. Sure, or several million users would have turned to something else. But get the real Aspirin (at any drugstore) with Bayer on the box, and the word genuine printed in red.

Aspirin is a trade mark registered in Canada

### Six-Footers from the Hebrides

Four stalwart crofters, all over six feet in height, who left the Hebrides where they "scratched a bare living by tending sheep", to settle in Ontario. They reached Canada this summer in high spirits. The picture shows three cabin boys comparing their stature with the settlers aboard the Anchor-Donaldson liner Letitia, on which the Hebrideans crossed the Atlantic to begin a new life.

don't pretend that the students are not drinking but the change has been revolutionary. Moreover, this is in spite of the fact that in the old days we rarely troubled ourselves about a case of mere intoxication, whereas now intoxication of itself is regarded as calling for the severest penalty."

Georgia: E. D. Thomas, judge in the Supreme Court, Fulton County, says: "In my humble opinion the prohibition law has been more beneficial to the citizens of this state and has proved more beneficial to the younger generation than any law on the Statute Book. It is true that the man who has cultivated a taste for whiskey can get it and probably will get it until a new generation grows up who have not acquired the habit."

### Varicose Veins Reduced or Money Back

Simple Home Treatment That is Giving Amazing Results

If you have varicose veins or bunches you can start today to bring them back to normal size, and if you are wise you will do so.

Just get an original bottle of Moore's Emerald Oil at any dispensing pharmacist and apply it night and morning to the enlarged veins. It is very powerful and penetrating.

After a few days' treatment the veins will begin to grow smaller and by regular use will soon reduce to normal.

People who want to reduce varicose veins, or get rid of eczema, ulcers, or piles in a few days should not hesitate to get a bottle at once. It is such a powerful, penetrating antiseptic oil that a small bottle lasts a long time. Any pharmacy can supply you and sells lots of it.

NEW "CATERPILLAR" TEN IN PRE-VIEW TOUR

The "Caterpillar" Ten now making the pre-view tour of state fairs and expositions will undoubtedly be the most famous tractor as well as the most travelled one by the time it ends its American tour at the Convention and Road Show of the American Road Builders' Association at Cleveland in January. It will have travelled nearly 10,000 miles as well as having been seen by more than a million farmers, contractors, engineers, loggers, governmental officials and others interested in cost cutting methods for agriculture, road building, lumbering, etc.

#### HEALTH HABITS

A great deal has been written and said about health habits, and about the importance of starting the child on life's adventure with proper health habits. There is no doubt that it is just as

## Don't Buy Christmas Cards

Until you have seen the exceptionally fine line of samples shown by The Times. Three large books to choose from, and the prices are from a few cents a dozen up.

Phone 27 and a representative will show you the samples in your home at any time.

easy to establish right habits as wrong ones. Habits are acts which we repeat, without thinking about them at the time we perform them. We do not eat from our knives because it is our habit to put only forks and spoons into our mouths. We do this without thinking because back in our childhood days our parents, by example and correction, established this as a habit with us.

Those who have established that most important habit of washing the hand before eating, practise this habit and do not feel comfortable if they sit down to eat without washing. The same is true as regards the cleaning of the teeth. The person who cleans his teeth regularly finds that his mouth feels dirty if he misses the regular cleansing.

These and other simple, regular habits can be established in the child by a consistent effort on the part of the parents. The effort will be repaid many times in the better health of the child, and by the happier and less troublesome existence for parent and child that will grow out of a life that is regular.

The child is not a small adult; he is not to be looked upon as such. His desire for play is natural and should be encouraged. We do not want to make him "a little man." Proper health habits do not interfere with his child life; they help to make him enjoy it more and to keep him well; also, to prepare him for the adult years which lie ahead of him.

Questions concerning health, addressed to the Canadian Medical Association, 124 College Street, Toronto, will be answered by letter. Questions as to diagnosis and treatment will not be answered.

#### CASH OVER-RULED CHEQUE

An interesting case was closed recently in connection with a sale of land in Alberta. The owner of the quarter-section in question had offered the land to two parties both of whom accepted it on the same terms. The land-owner then wrote to both parties advising them that the first to deposit the amount of the purchase price with his solicitor would get the land. Both letters were registered and as both parties lived at the same place they received the letters on the same day. One party secured the cash immediately and on Sunday night drove to the city wherein the landowner's solicitor resided in order to be on hand early Monday morning to complete the deal. Upon calling at the lawyer's office about 9:30 Monday morning he was advised that the other party's solicitor had phoned him on Sunday night stating that he would buy the land and

### Large Pimples Came Out on Her Back and Shoulders

Mrs. James Park, Moose Jaw, Sask., writes:—"Last summer my blood became very impure and large pimples came out on my back and shoulders. I tried all kinds of ointments, but to no avail. At last a friend advised me to get a bottle of

which I did, and in the course of a month's time all the pimples had disappeared."

Manufactured only by The T. Milburn Co., Ltd., Toronto, Ont.

### When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips' Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips' Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich diet has brought on the least discomfort, try—

PHONE 12, MILLET**MILLET LOCAL HOLD MEETING**

The Millet local of the Alberta Wheat Pool held its regular quarterly meeting in Phynon's hall on Saturday, Oct. 27th, at 2 p.m.

Mr. Johnston Ferguson of Tofield, the delegate for district G, Mr. T. P. Baker of Ponoka, the delegate for district E10, Mr. McKenzie, the representative of the Wheat Pool, Mr. Jones of Ponoka, and a good number of local members were present.

The main purpose of the meeting was to give the members in Millet district an opportunity to meet and to discuss Pool matters with the dele-

gates of the two districts represented in the Millet local.

A lively discussion of a number of important matters resulted, and a number of questions cleared up to the satisfaction of the members present. The matter of the payment of 4 cents a bushel bonus on all wheat handled through the Pool elevators was discussed, to some length, and a resolution proposed, but the matter was finally left to the discretion of the delegates.

Such meetings as these go a long way toward settling the difficulties of the members, and keep our delegates informed of the local work of the Pool.

**WIESENFORD W.I.**

The Wiesenford W.I. met at the home of Mrs. King for the November meeting. The roll call was responded to with useful hints for Christmas gifts. The samples shown were exceedingly useful and very practical. We had a very instructive demonstration on making beaded flowers by Mrs. Scott. Mrs. Beach read an interesting article on buying suitable gift to please every individual taste. It was moved and carried that the W.I. should hold a Thanksgiving supper at Telford school on Thanksgiving Eve. All friends of members will be admitted by ticket only. We find that we cannot provide free meals for everyone, so it was decided to charge 50c for adults and 25c for children who care to attend. There will be the usual dance afterwards, when good music is bound to attract. The annual meeting of the above institute will be held at the home of Mrs. Kirk on Saturday, Dec. 1st, at 2:30 p.m. All members are requested to attend and to come prepared to re-join for 1929.

The Family Herald and Weekly Star of Montreal with its wonderful improvements is recognized as the greatest money maker for farmers in Canada, while its magazine section is a gem unrivaled.

Dominica is also said to surpass all the tropical islands of the world in natural beauty.

Trinidad has a famous natural curiosity—a lake of pitch.

**In 5 MILLION HOMES TONIGHT**

A host of babies will enjoy sound sleep tonight. And their parents will have unbroken rest. Castoria is the cause of this contentment in a multitude of homes.

Good old Castoria! Children cry for it. Mothers swear by it. Not a house hold where there is an infant should ever be without it. A few drops of Castoria in a perfectly innocent manner. It is natural slumber that follows. Castoria is a purely vegetable product. No opiates. No narcotics. Of any kind.

Now you know why trained nurses give Castoria as often as an infant is ill, or even restless. And why doctors tell mothers it is the first and only home remedy when Baby has constipation, colic, diarrhea, or other upset. It is made for babies, and safe to give babies, and other things are not. Fletcher's Castoria is "old-fashioned" if you count its fifty years, but it's an old-fashioned mother, nowadays, who worries about without it. Twenty-five million bottles bought last year! Think of the number of mothers who rely on Castoria! All these mothers can't be wrong! To keep a little in the house is a precaution you can't afford to omit.

**MILLET LOCAL NEWS**

Mr. Herb. Scharff was a visitor in town over the week-end.

The Millet local made a shipment of hogs to Edmonton on Saturday.

Mr. and Mrs. A. H. Parker and Little Miss Ethel, of Wetaskiwin, were visitors in town Saturday.

Mr. and Mrs. J. C. Wagner and family spent Sunday and Monday with several old friends at Sunnysbrook.

On Armistice Day, Sunday, November 11th, at 11 o'clock, there will be a two minute silence. Let it be well observed.

Mr. and Mrs. S. C. Moen and Little Joyce spent Sunday afternoon in Wetaskiwin, the guests of Dr. and Mrs. T. B. Stevenson.

Everybody welcome Tuesday evening, November 13th, the date of Miss Siegel's appearance in Millet United church.

A dance will be held in Grand View school on Friday, Nov. 16th, to raise funds for serving hot lunches to the school children. Gents, 75c, ladies free. Good music.

On Tuesday evening, Miss Theresa M. Siegel, dramatic artist, will present a program of humorous, dramatic and inspirational stories. Miss Siegel's selections reveal her remarkable ability to interpret widely different characters and scenes, from the intensely dramatic to the simple, refreshing humor of everyday life. She holds her audience from start to finish.

Wednesday evening passed with the usual spooky, squeaky, rustling sounds, gales removed and windows soaped. A happy innovation was introduced when a party of little boys and girls made little baskets, which they themselves filled with fruit and nuts and carried these little gifts from door to door. Many have since spoken very appreciatively of this Halloween prank.

The Women's Institute held a very successful dinner at noon on Saturday and later in the afternoon tea was served. Proceeds from the day amounted to a little over thirty-five dollars, and the Institute conveyed thanks to all who supported this occasion by their presence and donations. The next meeting will be held at the home of Mrs. Clifford Wagner on November 14th.

The students of the intermediate and high school rooms of the Millet school commenced their Halloween social in the Community hall at 8 o'clock. The room was previously prepared by the students, black cats being the outstanding decoration. The program consisting of witty riddles, fortune telling and numerous games, was planned by the teachers and pupils of the rooms. The senior girls served lunch, after which nuts, candies and apples were distributed. We are sure all those present had a very pleasant evening.

**ARMISTICE AND THANKSGIVING**

The services next Sunday in the United Church at Millet and Hillside will be commemorative of Armistice Day, as it is the 11th of November, and also a reminder of Thanksgiving Day on the morrow. The order of service recommended by the Armistice Ceremonial Committee of Canada will be followed. These combined armistice and thanksgiving services should find us all in the spirit of worship. Hillside, 3 p.m. Millet, 7:30 p.m.

**Heart All Wrong Made Her Feel Very Miserable**

One of the first danger signals announcing something wrong with the heart is the irregular beat or violent throbbing, and this should be attended to immediately before the trouble gets worse.

Mrs. W. G. Barton, Donville, Ont., writes: "One spring I was very much run down and my nerves got very bad. My heart seemed all wrong in its beating, and I was feeling very miserable."

"One day I happened on a box of

and this one box did such wonders for me I took another. That was about seven years ago.

"If ever I am feeling that these Pills another chance as I can rest confident they will build me up."

"I also am a firm believer in Heart and Nerve Pills did for me." Price 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

**THINK IT OVER!**

It is not the First Mile Post but the Last, that Tells the Story. Not the Outwardbound Stead, but the One on the Home Stretch that we note as Victor. —Frances E. Willard.

**Weddings**

A quiet wedding was solemnized at St. Mark's church on Thursday, November 1, at 4:30 p.m., when Kathleen Frances Marion, eldest daughter of Mr. and Mrs. C. E. Scharff of Millet, Alberta, and Richard Henry, youngest son of Mrs. John Carter of Edmonton, were united in marriage. Rev. W. Leversedge of Edmonton performed the ceremony.

The bride was given in marriage by her father, and her sister Constance Scharff was the bridesmaid. Fred Carter, brother of the bridegroom was the best man.

Following the ceremony a wedding supper at the Selkirk was enjoyed. Mr. and Mrs. Carter will make their home at 11019 129 street, Edmonton. —Journal.

The man who reaches the top of the heap hasn't stopped along the way to waste time throwing bricks.

Be sure are right—then go ahead; be sure you are wrong before you quit.

**WHOOPING COUGH**

**MILLET LOCAL NEWS**

Miss Linda Smith returned to Sedge-wick to attend school on Saturday.

Mr. and Mrs. Alex McLean of Provoost, were visitors in town on Saturday.

The Ladies Aid of the United Church will hold their bazaar on Saturday, December 1st.

The date for the bazaar under the auspices of the W.A. of the Anglican church is November 17th.

Grain is beginning to roll in, plowing is over and fall work generally caught up, and now comes the marketing of farm produce.

Several parties of hunters have gone to the haunts of the moose and elk and we are looking forward to seeing some fine samples of big game.

Her program will include "Danny," the story of a little Irish boy, "The Woman Who Was Forgotten," "Black Thunder," a story of an outlaw horse, and many others.

A number of friends gathered at the home of Mrs. T. Albion on Wednesday evening and spent a very happy hour at games and conversation. At the close a dainty lunch was served.

**HILLSIDE**

Mr. H. G. Young was a business visitor to Edmonton Thursday.

Messrs. F. Loader, H. Marr and F. and J. Ganski are hunting big game in the Buck Lake district.

The dance held in the school house on Friday night in aid of the piano fund was a decided success. The committee wish to thank those who helped in any way.

The U.F.A. are holding a pie social in the school house on Nov. 23rd, to raise funds for the Christmas entertainment. Full particulars later.

Mrs. H. G. Young received the sad news of the death of her sister, Mrs. Martin of Seattle. We extend our sympathy to Mrs. Young in the loss of her sister.

Miss Lella Marr of Wetaskiwin spent the week-end at her home.

The Misses Foster and Beth Howes are attending the teachers' convention in Wetaskiwin this week.

Miss Gladys Manders of Edmonton, spent the week-end at Devonia Farm.

**DO IT NOW**

"Twice yesterday we thought we'd write that letter which would give delight. 'Twice yesterday we thought we'd send some money to a needy friend; twice yesterday we meant to cheer, we meant to wipe away a tear; we meant to help a weaker man achieve his good, but half-formed plan. But yesterday, alas! has fled. Not one act done, not one word said. Now when we feel that inner urge, when the good kind feelings surge, when we are suddenly aware that we have more than just our share, when words of praise invade the heart, and when we see grief's tears upstart—oh! let us do the kindly thing before today is on the wing.—Wilhelmina Stitch."

**IN MEMORIAM**

In loving memory of our dear Mother, Mrs. Caroline Zilmer, who passed away November 4, 1925. Just a thought of sweet remembrance. Just a memory fond and true, Just a token of affection, And a heartache still for you. Just a sigh for the golden moments, Just a smile of love now, Just a tear in silence falling. And a yearning just for you. Inserted by the Family.

When the agent for the Life Insurance company paid Mrs. Stine the amount of insurance her husband had carried, he asked her to take out a policy on her own life. "I believe I will," she said, "my husband had such good luck with this."

The oldest music is new to the man who never heard it.

Eat, drink and—be moderate.

**STIFFNESS**

Rub well with Minard's, working the liniment well in with the finger tips. Rubs away the stiffness, eases pain, soothes the aching muscles, relieves the neuralgia. Splendid for stiff neck, sore throat, rheumatism, etc.

The Great White Liniment

Saves Work

When the artist Whistler was being examined during the libel law suit against Ruskin, Sir John Halkor, the attorney-general asked how long it took Whistler to "knock off that Nocturne." (Referring to Whistler's painting "Nocturne in Black and Gold").

"About a day," replied Whistler. "I may have put in a few touches the next day."

"For two days' labor you ask two hundred guineas?"

"No, I ask it for the knowledge of a lifetime, was Whistler's reply."

**Just Right For Upset Stomach**

For after-eating distress, gas, sourness and bloating, the quick and positive neutralizing action of Blaustrated Magnesia has proved to be just right! Relief, certain and gratifying, almost instantly follows the very first dose—and a few cents' worth obtainable from any good druggist, last for a long time. This special Blaustrated form of Magnesia, for Stomach Trouble only, does not act as a laxative. Ask your druggist.

**DO YOU KNOW THAT:**

1. A wet umbrella should be opened and allowed to stand with the handle down until dry?
2. Silk stockings will wear much longer if they are washed in lukewarm water, to which a little vinegar has been added before they are worn?
3. Voile or gingham curtains will hang better and stay clean longer if they are starched slightly when washed?
4. Lemon juice will remove fruit and vegetable stains from the hands.

**"SHADOWS OF THE NIGHT"**

A thriller, if ever there was one. A big newspaper drama, carrying you with the reporter-sleuth and his uncanny dog side "Flash," into the realm of romance, crime and mystery. This is one of the best dog pictures ever screened.

Comedy and Fables

**GIRL GUIDE NOTES**

Instead of a regular meeting last Wednesday evening, the Wetaskiwin Girl Guides held a Halloween party in the Parish Hall.

Prizes for the best costume were awarded to Miss Kathleen Walker, and for the most comical to Frances Roulstone.

Games were played, some spooky stories told, and refreshments served. On Friday evening, eight of the Girl Guides with their leaders, Misses Walker and Ward, took a motor trip

to Poroka. Cars were kindly furnished by Messrs. Moore, Gibson and Wade. On arrival in Poroka they were entertained by the local Guides. Both Wetaskiwin and Poroka Guides were divided evenly into three patrols and the usual exercises were performed, after which many games were played. The Poroka Guides are well established and have an active membership. After a pleasant evening dainty refreshments were served. The Poroka Guides will return the visit in the near future.

**Special Notices**

\*\*\*"Dawn," the story of Edith Cavell, will be seen at the Angus Theatre on Thursday, Friday and Saturday of this week. Matinee on Saturday at 2:30. Gorman journalists who have viewed this picture agree that its spirit is not hostile to their nation, and is a sincere desire to be just. It carries an anti-war message.

**THE WALIN STUDIO**  
Wetaskiwin, Alta.

Be wise—come in NOW before the rush begins.

**A Blue-White Diamond**

Positively the  
**BEST GIFT**  
of all

Size alone does not determine the value of a diamond. Color and brilliancy are the most important factors in this matter.

Our selection of diamonds mounted in the latest styles of settings, are all chosen with one object in view
